To Whom it May Concern:

It is with much great pleasure that I am writing to recommend the services of Happy Laundry.

The Salvation Army has been using Happy Laundry for our dry cleaning and laundry services for the last 5 years and have always been satisfied with their work. They do an excellent job meeting our needs, including picking up our orders and dropping them back off to us in a timely manner. Happy Laundry is punctual and offers the most competitive prices in town.

We began our relationship with Happy Laundry using them for needs we had at our church building. We opened a shelter during Covid 19 and Happy Laundry provided laundering services for all of our laundering needs for over a year with that shelter, simultaneously we were running two other homeless shelters with 350 individuals being housed. Happy Laundry continued to pick up dirty laundry and drop off the clean laundry. Today they are still providing the great quality services to our shelter that is housing up to 350 individuals per night. Happy Laundry has gone above and beyond to exceed our needs continuously.

I am happy to recommend the services of Happy Laundry!

Sincerely,

Andrea Reedy
Director of Business and Operations
